

This message is for parents and guardians of Garrison Road Public School.

There are a few more days of our "12 Days of Giving" food and toy drive. Tomorrow the theme of the day is canned vegetables. Wednesday's theme is gifts for children over the age of 12. We will gladly accept any donations until Wednesday. Thank you for generosity!

Tomorrow, we invite any kindergarten families interested in Gr. 1 French Immersion to join us for our virtual French Immersion Information session beginning at 6:30 p.m. Please join the session using this link: [French Immersion Virtual Information Night](#)

If you need support using Microsoft Teams, please visit the "Families - Getting Connected Online" tab on the school website.

All week students are invited to participate in spirit days. Please do not feel obligated to participate every day. Tomorrow will be jersey or sports day! Wednesday is crazy socks, Thursday is Christmas sweaters or wear red/green and we are finishing up the week with Comfy Cozy day on Friday!

Thank you for your continued support.
Have a nice evening!
