

WELCOME BACK 2024

Bussing Information

Please visit www.nsts.ca to access your student's bussing information. For new students starting this fall, you will receive a temporary log in to use until your child is issued an OEN this fall.

You can also subscribe to receive notifications about delays and cancellations.

Bell Times

Please take note of our early start time. It is imperative that your children arrive on time everyday as some of the most important learning takes place at the start of the day. Ensuring your child understands the importance of being punctual also sets the stage for their future success.

Please arrive on time - between 8:20 and 8:35am!

First Day Of School

Students in Grades 1 to 8 will be welcomed on the tarmac. Grades 1 to 3 at the side of the school and Grades 4 to 8 at the back tarmac. Teachers will gather their classes and enter the school. Kindergarten students will meet in the play area at the front of the school. We ask that parents say goodbye to students at the gate, as that is the routine throughout the school year and starting from Day 1 makes this transition easier for children.

If it is raining, all students will meet in the gym.

Breakfast Club

Breakfast Club is looking for a few volunteers who would like to join our program. We feed hungry kids every day before school. Volunteers can be anyone in our community: parents, grandparents, family members, etc.!

You can join with a partner or friend for double the fun!

We are looking for volunteers to help on Tuesdays and Wednesdays from 7:45 AM to 8:45 AM. A teacher is always on hand to assist with student supervision and to answer any questions.

These volunteer positions are so rewarding and come with so many happy tummies and big smiles! It is a really beautiful way to start your day!

If you would like to join our team, please reach out to the office at 905 871 4830 or send an email to sarah.thomas@dsbn.org

Principal's Message

Some wonderful things are happening at Garrison Road Public School. Over the summer, one of our brand new Indigenous learning spaces was completed. This area includes a Wampum Belt walkway, butterfly bushes, a raised strawberry bed, as well as many flowering plants. We are excited for students to enjoy this space during outdoor learning time.
