Student Pick Up:

Due to the limited size of our parking lot, we strongly recommend that any students able to take the bus, please do so. If you are picking up children Grades 1 and up, they will be released out of the doors by the office, where the rocks / garden are located. Kinder students will continue to be released from the gate at the front of the school, by the sign. Families with kids in both kindergarten and an older grade will need to collect their students from both areas - please gather your kindergarten child first, then head to the rocks to pick up your older students. We appreciate your understanding and cooperation, as you can imagine, it is quite a task to organize almost 500 students each day.

School Cash Online:

School Cash Online is a safe and secure portal where you can pay for student activities, sign permission forms for field trips, and much more. You can use a credit card or eCheque, no more sending cash or cheques to school with your child. Everything will be digital!

Please sign up at: <https://www.dsbm.org/schoolcash/>

From the Office:

Our school day begins at 8:35! If your student(s) is going to be late or absent, please log the information in Safe Arrival. There is an App that can be used that is compatible with both Apple and Android devices.

Check out this link for more information: <https://www.dsbm.org/safearrival/>

Up To Date Records: Your student(s) should have brought home a Student Verification Form this last week. If you haven't already, please review, make any applicable corrections, sign the back and return to the school with your student(s). Also, if your student(s) has any medication or a Plan of Care, please return to the school as soon as possible.
