- Robotics Club (Junior and Intermediate)

UPCOMING SCHOOL COUNCIL MEETING DATES

November 26, 2024

February 25, 2025

April 29, 2025

Time: 5 - 6 p.m.

Location: Garrison Road Public School

At Garrison Road Public School, we believe that parents are important and make a real difference to children's learning. When parents are involved children do better and achieve more. School Council allows everyone involved in school life - parents, learners, teachers, school staff and the wider community to work together to support the school. It also allows all parents to have a say in their children's education by affording the opportunity to express their views and ideas.

All parents are welcome to attend! Please join us at our next meeting.

PUMPKIN CARVING

Each class will be creating a pumpkin. The top pumpkin in the school will be submitted to the MYAC Contest! Stay tuned for results.

HALLOWEEN IS COMING

As in the past, we will be having a Dance-A-Thon on Halloween. Students from JK through to Grade 8 will get to participate in the dance. Students are welcome to wear neon, orange and black, costumes or regular clothes. Students who do not wish to participate in the dance will be given the option of free time in the library.

Please do not send in any Halloween snacks or treats with the students. We are not able to distribute them and all students are reminded to bring their regular lunch and snacks with them that day.

An order form can be found on [School Cash Online](#) for anyone wishing to purchase glow sticks and loot bags.

PARENTS - SHOWCASE YOUR STUDENT!

If your child has success outside of school, we would love to share their passion and dedication with the school community. Perhaps they are involved in gymnastics, football, taekwondo or soccer and have done something great! Send us that information so we can share it in this weekly family memo, feel free to include a photo if you would like us to share that in our weekly memos.

THE LITTLE CROCHETER

At only 9 years old, Abby Q. taught herself to crochet, and has become an entrepreneur. She sells her crocheted items at markets around the region. Below is a photo of her taken recently with the items she makes. What an amazing talent! Congratulations Abby!
