GREATER FORT ERIE Secondary School

Our Grade 8 students were treated to crepes this week, provided by some students at GFESS, who are part of the culinary program. GFESS students have won Special High Skills Major culinary awards for several years in a row. They even have a restaurant at the school that you can visit. To make reservations or for more details, follow the link below.

NO RIGHT ON RED!

We were informed this week that there is a change coming to Garrison Road Public School. Please read the following information that was provided to us by the Town of Fort Erie, Infrastructure Services.

School Crossing Guards play a vital role in ensuring the safety of our community, especially during peak school hours. In response to these concerns, the Niagara Regional Council has since passed a motion to prohibit vehicles turning right from Garrison Road Public School onto Regional Road 3 (Garrison Road) when the traffic signal is red (commonly known as "No Right Turn on Red").

The Niagara Region is planning to install signage to this effect in the next few weeks.

DON'T PARK NEXT DOOR

We know that parking is difficult during assemblies and dismissal times. We remind you that you are not able to park next door at the dentist office. They have advised us that you will be towed if you park there. There is additional street parking that runs behind the school off of Spears / Kerby. Please use this as an alternative when the parking lot is full.
