AVAILABLE THROUGH SCHOOL CASH ONLINE

Make It Sow Seed Kits

Help support Garrison Road's ECO Club by purchasing vegetable or flower garden seeds. The ECO Club's focus this year is on revitalization of our outdoor education spaces, which will provide environmental learning opportunities for many of our students.

The seeds are all high-quality, non-GMO, germination tested for Canadian climates and come with a 100% guaranteed satisfaction.

Please visit <https://makeitsow.com/wp-content/uploads/make-it-sow-2025-brochure.pdf> to view the available products.

You are also able to invite your friends and family to purchase seeds, even if they don't have a student at Garrison Road Public School. They can place orders by visiting <https://dsbn.schoolcashionline.com/Fee/Index>

If ordering as a member of the public, please remember to include your name and phone number in the box at the bottom of the form so that we can reach you.

The seeds will arrive at the school the week before March Break - just in time for you to have some March Break fun. Thank you for your support!
