COMMUNITY EVENT

This event is being hosted by one of our Greyhound Families who is raising money for McMaster Children's Hospital.

"In September 2023, my two-year-old son Macklin was admitted to McMaster Children's Hospital where he was shortly after diagnosed with Burkitt-Lymphoma, a very fast-growing (aggressive) type of Non-Hodgkin's Lymphoma. Upon completion of six intensive rounds of chemotherapy I am thrilled to share that he is cancer free as of March 2024. I am writing on behalf of Macklin and our family in hopes of raising funds to give back to McMaster Children's Hospital for children and families that will unfortunately require the same care in the future. We could not be more appreciative for the support we have received and are confident that as a community we can continue to raise funds for such an important cause. All proceeds collected will go directly to the Oncology/ Hematology department at McMaster Children's Hospital."
