BINGO INFORMATION

Happy 2024! A sincere appreciation for all of the hours dedicated in 2023 serving our school community. Without your constant support, bingo fundraising would not be possible. Our school is a better place because your time directly impacts the amount of money Garrison Road Public School can spend on technology, books ,clubs, and sports. We thank you for your continued support in the new calendar year!

Bingo time slots have been released! We have 10 dates, 20 sessions, and therefore need 40 volunteer time slots filled. A reminder that you can do as many as you like! You are always encouraged to recruit new volunteers! Don't forget grandparents make great volunteers!

Click on this link ([Bingo Sign-up/Schedule](#)) to see the available times and register for your desired dates by typing your name in the available box. You will receive a calendar invite with reminders for the date you sign up for. If you have any questions please email or text me, Corrina 289-321-1497.

With thanks,

INCLEMENT WEATHER

There are times in Niagara when weather conditions are so poor that we must cancel student transportation, and/or close schools to preserve the safety of students and staff.

The decision to cancel transportation and/or close schools is not taken lightly; a variety of factors are considered when making this choice. To learn more about how these decisions are made, please go to <https://www.dsbm.org/inclementweather>.

Transportation Cancellations:

Information about transportation delays and cancellations are posted to <https://portal.nsts.ca/Cancellations.aspx>. When transportation is cancelled, every effort is made to communicate the decision by 6:00 am on the day of the cancellation. There are times when transportation is cancelled, but schools remain open. *If, on those days you feel it is best for your child to stay home, please report your child's absence <https://dsbn.org/safearrival/> so we can make sure they are safe at home.*

School Closures:

When the decision to close schools is made, it refers to all schools: both in-person and remote learners. Every effort will be made to share school closure information before 6:00 am on the day of the school closure. You will find it on dsbn.org, all school websites, DSBM social media, and local media share the news widely as well.
