INCLEMENT WEATHER

There are times in Niagara when weather conditions are so poor that we must cancel student transportation, and/or close schools to preserve the safety of students and staff.

The decision to cancel transportation and/or close schools is not taken lightly; a variety of factors are considered when making this choice. To learn more about how these decisions are made, please go to <https://www.dsbni.org/inclementweather>.

Transportation Cancellations:

Information about transportation delays and cancellations are posted to <https://portal.nstsi.ca/Cancellations.aspx>. When transportation is cancelled, every effort is made to communicate the decision by 6:00 am on the day of the cancellation. There are times when transportation is cancelled, but schools remain open. *If, on those days you feel it is best for your child to stay home, please report your child's absence <https://dsbni.org/safearrival/> so we can make sure they are safe at home.*

School Closures:

When the decision to close schools is made, it refers to all schools: both in-person and remote learners. Every effort will be made to share school closure information before 6:00 am on the day of the school closure. You will find it on dsbni.org, all school websites, DSBNI social media, and local media share the news widely as well.
