Public Health Immunization Suspensions start on March 19th. If you received an Immunization notice in the last few months telling you that your child needed an immunization, even if you know your child is up to date, please contact Public Health right away. The school is not able to update or access these records on your behalf. Call (905) 688-8248 x 7425 to get this resolved before March Break so you aren't surprised by a suspension on March 19th. These letters are not sent to everyone. **If you got a letter this year, your child is on the list.**

Parent Council is holding a glow in the dark Dance-A-Thon on Thursday, March 7th - Students will get to socialize and dance in the gym with their friends. DJ Aiden will be joining us. This is the biggest fundraiser of the year. All money raised will be used for tech and gym equipment. The goal is to have a chromebook for every child in the school.
