IN PARTNERSHIP WITH GREATER FORT ERIE SECONDARY SCHOOL

We are very fortunate to have a relationship with Greater Fort Erie Secondary School. We have multiple students who spend time at Garrison Road, helping our students, forming relationships and learning what it is like to work at a school. Every week we plan to showcase one or two of these students in our weekly memo.

Introducing Emily

Emily is helping out in Miss Coyne's Grade 1 class. Miss Coyne says Emily is extremely helpful and professional in our grade 1 classroom. She is intuitive to the student's needs and always offers to help the teacher in the classroom. She always comes with a positive attitude and a willingness to try new things. We feel so lucky to have her in our class!

Introducing Delilah

Delilah has been working with Miss Aube's Grade 1/2 class. Miss Aube says Delilah is a great addition to our Greyhound family. Her caring nature, willingness to help others and positive attitude make her an exceptional individual. Delilah is always respectful and kind. We are very lucky to have Delilah at Garrison Road Public School.

GREAT THINGS HAPPEN AT GARRISON ROAD!

On Saturday, March 23rd, three of our Greyhounds participated in the Niagara Region Science Fair at Brock University.

Audrey Peters, Leah Whyte and Rileigh Arts presented their projects to numerous judges and made us incredibly proud. They competed against 90 students from across the entire region. Rileigh Arts was presented with the award for Best Scientific Process on Wednesday night.

Way to go Greyhounds!

OUR NEWEST GREYHOUND!

Please share the excitement by helping us pick a name for our new mascot! Students will get to vote on which name they like the best.

We will announce the name of our newest greyhound soon.

Q-MACK IS COMING TO GARRISON

Q-Mack is bringing his “Be An All-Star” presentation to Garrison Road Public School on Friday, April 19th.

NBA All-Star Entertainer Q-MACK is on a mission to transform students into "All-Star students" by spelling out what the term "ALL-STAR" really means! His high impact presentation outlines 7 vital character attributes that will benefit students in every challenge they'll face in the classroom, the gym, or on the playground.

More information can be found on his website at
<https://www.qmack.com/>

This event has been paid for using Bingo Funds raised by our wonderful volunteers.
