A Note From Parent Council...

This year in lieu of the Fun Fair - the Garrison Road Staff have planned an Olympic-Themed Play Day! We thank the Garrison Road Staff for providing a fun-filled day that will promote school community, team-building, and co-operative play! This will be a wonderful day to celebrate a spectacular 2023-2024 school year!

In the past, Parent Council has hosted a 2-hour evening Fun Fair in June. We recognize that many families have fond memories of this yearly event. Moving forward, Parent Council has decided that the funds for this night (~\$15,000) are better suited for student-serving, daytime, educational activities, and resources that all students have access to throughout the year.

We believe that prioritizing support for academic enriching activities, school clubs, sports teams, and technology for classrooms is the most responsible and equitable use of our bingo and fundraising money.

We thank you for your continued support with volunteering and donating your time and money. We are fortunate to belong to such a generous community! Please contact us at garrisonbingo@gmail.com if you can volunteer to work a bingo shift. Each 2 hour shift raises \$600 for our school.

We welcome all Garrison family and community members to join us at future Parent Council meetings.

With gratitude,

Parent Council

NEW KINDERS FOR SEPTEMBER!

We are planning a kinder event for later in May. If you have a child starting school this fall and you have not yet registered, please do so by following the link below. This will be the last kindergarten event of the year!
