Late Students:

We have an early bell and as a result, there are a lot of late students. Please ensure your child arrives at school by 8:35am. Instructional time begins at 8:45 and any student arriving after this time is interrupting the learning of others as well as missing some of the most vital learning of the day. Students can arrive between 8:20 and 8:35am. A list of bell times is below as a reminder.
