## Halloween AND Dance-A-Thon

Parent Council will be hosting a Dance-A-Thon fundraiser on OCTOBER 31. Treats will be available for purchase. Thus, we are asking families to not send treats with their student(s) to distribute.

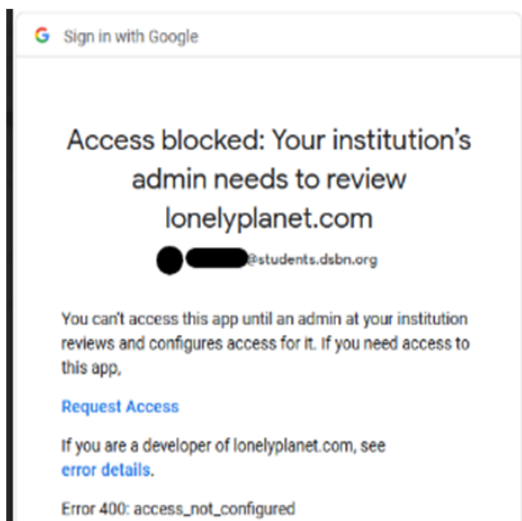

More details to follow next week!

Students can choose to wear a costume, wear orange/black or just come as a regular day! There is NO pressure to dress up. If your student(s) is choosing to wear a costume, please have them wear it to school in the morning.

## DSBN Google Accounts / 3<sup>rd</sup> Party Apps

Google is making changes on Monday, October 23 that may impact student account access to third-party applications (e.g. video games, retail accounts, etc.). The change does not affect access to applications approved for use in the classroom (e.g., D2L, Google Drive).

However, although it is not recommended, sometimes students create accounts for non-school-related web and mobile applications with their DSBN account (username@students.dsb.org).

If the application has not been approved for academic use, students will see this message:

Clicking the "Request Access" link will not fix the problem, however, if students log into their personal applications before Monday, October 23<sup>rd</sup> and update their account with a personal email address (e.g., gmail, hotmail), their access and user data should not be impacted.
